Hello and welcome to Issue 135 of the UsedCarsNI.com Magazine. In this issue we have some great editorial and photos from page 4 to 9, followed by over 160 pages of cars, commercial vehicles, bikes, motorhomes, caravans, boats, farm/plant and salvage for sale!

Also be sure and check out the Jookit.com adverts (the last section in this issue). Jookit.com is Northern Ireland's new FREE Classified Ads Website where you can search from over 74,000 items for sale from retailers and sellers. To place a FREE AD on jookit.com and in the UsedCarsNI.com Magazine go to www.jookit.com/ad.

If you're a car dealer and would like your business profiled in our magazine and our online blog please send an email to me at magazine@usedcarsni.com and we'll get someone out to you for a report and some pictures.

Thanks again for picking this issue up and if you're looking for a car or any other vehicle I trust you will find the one you're looking for in this magazine!

As always if you have any queries or general feedback, please get in touch via the channels listed below.

Warmest regards,
